MAGICAL WATER PHOTOTOUR
April 30th - May 6th 2005

OVERVIEW

“This was an amazing journey that was fun, exciting, and suspenseful all in one. The suspense of swimming through a lagoon to see what lies on the other side was thrilling. To our surprise.....we found the glow that we were on the hunt for! That day we made some beautiful images. A trip with Ed and Mark is guaranteed to be a lasting memory!” QUOTE FROM 2003 Workshop

*This tour will be led by Ed Gordon and Mark Esposito.
We will meet in Moab, Utah on the 8th May.
Full details and itinerary will be provided at time of booking.*

Tour Description

“If you want to have a truly amazing adventure that you will never forget, go with Ed and Mark, you won’t regret it”

- *From our Moab base we will visit locations that will provide us with the best opportunity to make pictures of the type and quality illustrated on these pages.*
- *We will hike alongside towering walls, spires and side canyons with small creeks.*

DETAILS

- This workshop is open to all levels of experience and has been created as a result of many visits to some of the most spectacular and remote landscapes in North America.
- You will be guided by award winning photographer Ed Gordon and Mark Esposito both leading figure photographers in Europe and USA respectively. We will also have the skills of Edward Alexander a very fine fashion and lifestyle photographer based out of Idaho USA. Ed has been widely published for his lifestyle and western images
- This workshop is limited to 16 photographers.
- The photographer to model ratio will be 2 to 1. In our experience this is the optimum ratio and helps in developing ideas as well as your skills.
- If required, we can arrange for you, at a little extra cost to have a ratio of 1:1.
- The locations you will visit are off the beaten track, private, and interruption-free. No two shoots are alike.
- We will meet in Moab, on the morning of the **April 30th 2005** and travel by car and SUV to our shoot locations. You will see spectacular scenery throughout the journey.
